Clerk of the United States District Court

To the Honorable State District [sic] Judge Laura Taylor Swain

I am refuting all the objections sent to me in the last letter. I have been looking for 3 people who had evidence regarding Promesa Act Title III No. 17BK3283-LTS. These people passed away years ago and I was unable to obtain evidence of documents that you wish to have. These documents have not existed for years. The documents stated exactly what I worked on in the P.R. sugar corporation. I am disappointed and I do not accept all those exceptions to object to me.

I am sending here all the objections that you have written, which I Julio C. Luna Santiago do NOT agree with all your objections in the papers that you sent me.

I do not agree that you need to conduct a review by some means or by computer in which you can find true and conclusive evidence so that you can find out where I worked, how long I worked, my monthly salary. This present filing is related to the Commonwealth, the ERS, the HTA and the PBA.

I was in several different neighborhoods that could have the list, and I found out that there were three people who had the verification list of my work and all my paperwork documenting my jobs, salaries, etc. I found out that they had died, and no one obtained the lists from them. They were my bosses at the Puerto Rico Sugar Corporation.

I very much regret not having requested convincing evidence, and that is why I am writing you, to ask that you please closely review my case under the Promesa Act Title III No. 17BK 3283-LTS.
